## Valerie Throckmorton Elected to 1st Vice President Position

On December 1, 2020, Valerie Throckmorton returned to an officer position with the **Montgomery County Republican Women**. Val served as MCRW President 2012-2013. Her term was cut short October 2013 as her family moved out of state. Val moved home to TN June of 2017. The most memorable accomplishments serving with her stellar board (1st VP, Programs Sue Ellen Yates; 2nd VP, Membership Marie Tillman; Treasurer Sandra Gilkey; Assistant Treasurer Cheryl Chapin; Recording Secretary Cynthia Frazier; Corresponding Secretary Marilyn

Batson) were working to elect our honorable Congressman Mark Green to the TN Senate, supporting Sue Ellen Yates publishing of the MCRW Cookbook and inviting Marie Tillman to serve on our board, as Marie has proven to be a powerhouse for the GOP in Montgomery county.

Val recently achieved a longtime goal of earning an Associate Degree and is continuing in school to receive accreditation in medical coding. Val's husband Matt Throckmorton is an national education

consultant, specifically in the charter school realm and works with Military Academies. They have 2 daughters, Madilyne is married to Jebediah Jagers and is a senior at Austin Peay majoring in Pre-med with a minor in psychology. Hannah is 15 and attends Sycamore High School. ## Peter Navarro Issues Report on Voting Irregularities: 'The Emperor, In the Election, Has No Clothes'

BY TOM OZIMEK December 17, 2020 Updated: December 17, 2020

"Peter Navarro, who serves as an advisor to President Donald Trump, on Thursday released a report, in his private capacity, on the integrity of the 2020 election, concluding that the allegations of irregularities are serious enough to warrant an urgent probe and substantial enough to overturn the results.

The findings of the report ([pdf](#)), titled "The Immaculate Deception," support the claim that the election "may well have been stolen" from President Donald Trump.

"If these election irregularities are not fully investigated prior to Inauguration Day and thereby effectively allowed to stand, this nation runs the very real risk of never being able to have a fair presidential election again," Navarro said in the report.

On a call with reporters explaining his findings, Navarro said his role in putting the report together is to say that, "the emperor, in the election, has no clothes."

Fielding questions about what, at this stage, can be done, given that numerous legal challenges brought by the Trump campaign have been dismissed and the Electoral College has already voted, Navarro said, "with every day that goes by, it becomes more complicated" and "options narrow."

Trump campaign attorney Jenna Ellis, in a recent interview with [The Epoch Times](#), said there's still time for state legislatures to convene in special sessions and authorize alternate slates of electors."
