To facilitate cooperation among the National and State Federation.

To foster loyalty to the Republican Party and promote its principles and candidates in all elections, including non-partisan elections.

To support the objectives and policies of the Republican National and Tennessee Executive Committees and to work for the election of Republican Party nominees.

To attain Diamond Award in 2016-2017.

OUR PRESIDENT'S MESSAGE

As I look back over the past seven years, I see an America filled with turmoil in which the people have seen this nation turned upside down. President Barack Obama promised to transform America, and sadly in many ways, he has been quite successful. His assault on the Constitution continues and Republicans in Congress, with a few exceptions, have basically surrendered.

Do we want another Obama Administration? Can we stand four more years of social revolution, out of control federal debt, massive immigration, and health insurance nightmares while labor force participation, workers' share of the economy, median family income and home ownership are decreasing.

If we do not get Republicans, Conservatives and Independents to unite at the polls, this is what we can look forward to!

Be one of those who **shows up, speaks up and works for the greater good** of our great nation.

In the coming weeks before the election, I am asking you to embolden your friends, family, and neighbors to get out and vote **November 8**, be the informed colleague at work who can give strong opinions about why to vote for a Republican candidate, offer your elderly neighbor a ride to early voting or your voting location on Election Day, encourage your young

children/grandchildren to come with you to watch you vote, and definitely encourage your adult children to vote if they have not done so. Be their informant on issues and candidates before social media convinces them that the United States is "Ready for Hillary."

Hillary Clinton as President should strike fear in your heart and send shivers down your spine.

It is my prayer that on November 8th, Republicans will rise up and take back our country from the Democrat Party and those Republicans who have failed to do what we elected them to do. Our action or inaction will seal the fate of our country.

so we can**
